Blue Bay Curaçao the dream

“This is where I want to live,
where the beach is my front
yard and the golf course my
backyard.”

This dream comes true at The Ridge: luxury
apartments with direct access to the natural
private Blue Bay Beach.

The Ridge is Blue Bay’s latest crown jewel.
Ample attention has been paid to even the
smallest details. From its attractive location
to the top-notch materials: everything
serves to maximize your pleasure of living.

The result is a superior living experience.
Waking up, rubbing your eyes and still being
in a dream. Looking out over a stunning bay.
Enjoying the refreshing embrace of the sea
in just a few steps’ distance. The Ridge is the
epitome of the Caribbean luxury lifestyle.

A beach paradise ‘in the middle of everything’

The beach at Blue Bay is an authentic paradise, but with all the amenities of modern society within your reach. Authentic, because Blue Bay is one of the few resorts with its own natural bay, one of Curaçao’s widest and most beautiful beaches. This is where you relax in the shade of the waving palm trees, dive into the azure water, and enjoy a cocktail, beach bite or massage.

It’s life in an idyllic setting, yet without being isolated. Blue Bay is just a few minutes’ drive from the airport and from the many nightspots, shops and attractions of Willemstad.

The beach is just a stair away

"Golf satisfies the soul", golf legend Arnold Palmer once said. At Blue Bay, you will experience this to the fullest. The 18-hole golf course boasts spectacular views and exciting differences in altitude. No matter what your playing level may be, this course will offer you a great challenge. Thanks to lessons and clinics by experienced professionals (and thanks to the driving range with putting green en chipping area), your game will only get better.

After spending some time on a beach bed, it's nice to stretch your legs on Blue Bay's hiking and jogging trails. Our tennis courts offer another great way to release some energy, for instance through attending tennis classes with your fellow residents. Are you a fan of underwater sports? Certified diving school Blue Bay Dive offers you a colorful house reef, right at your doorstep.

Lively Blue Bay offers enticing culinary and other experiences. At restaurant 12-68°, you will enjoy timeless international specialties: from pasta with fresh fish to juicy tenderloin from the grill. Your other senses are also catered to, for instance with our theme nights on the beach or with intimate concerts by local and international artists.
