LEGENDS TOUR

MCB CARIBBEAN LEGENDS PRO-AM 2026

PROGRAM BOOKLET

Dear players, guests and partners,

It is a pleasure to host you for the MCB Caribbean Legends Pro-Am 2026—an event that brings together world-class golf, international competition, and the unique dynamic of professionals and amateurs sharing the game, all set against the distinctive character of our island and resort. We are especially pleased to welcome our host, Jamie Donaldson, to Blue Bay.

This year marks a special milestone as we celebrate 25 years since the opening of Blue Bay Golf Course. What started as a vision has grown into a vibrant resort community where golf, hospitality, and lifestyle come together. Hosting an event of this caliber is an important achievement in our journey. As we look ahead to the next 25 years, we remain focused on continuing to grow, evolve, and build on what we have created together.

This tournament reflects what Blue Bay stands for: connection, experience, and enjoyment of the game at every level in a beautiful natural setting.

Framed by the rugged coastline of Curaçao and its hilly terrain with stunning viewpoints, the course offers both challenge and inspiration. With the Legends Tour joining us at Blue Bay, we have a great opportunity to showcase our resort, the island, our valued

partnerships, and our continued investment in the future of Curaçao.

I would like to thank our title sponsor MCB, the Curaçao Tourist Board, all our partners, volunteers, and employees who have come together to make this event possible. Your support allows us to create something meaningful—for the island, for the game and for our youth - creating opportunities and supporting the continued development of talent on the island through our charitable efforts.

We are proud to host both players and guests, and we wish you great success and fun in the competition, but above all a wonderful time experiencing everything Blue Bay and Curaçao have to offer.

About the MCB Caribbean Legends Pro-Am

The MCB Caribbean Legends Pro-Am 2026 brings together professionals of the highest level and amateur players from across the world for a week of competitive golf and shared experience at Blue Bay Curaçao.

As an event affiliated with the Legends Tour, we are proud to welcome a strong field of “Legends”—players who have competed and won at the highest level of the game. For many of them, Curaçao is the next stop following the tournament in Barbados, setting the stage for a competitive and high-quality week.

At the same time, this event is built around the Pro-Am format. Each team combines one professional with three amateur players, creating a unique dynamic where competition and interaction go hand in hand.

For our amateur players and guests, it is a rare opportunity to be inside the game—walking the course, competing, and sharing moments with players they have followed for years.

For our professionals, the week offers more than just competition. It is a chance to engage with a

passionate international group of players and partners, and to experience Blue Bay and Curaçao in a setting that combines high-level golf with a relaxed and welcoming atmosphere.

Beyond the fairways, the event is designed as a full week experience. A curated program of social events, sponsor moments, and community initiatives—including youth engagement and charity—connects the tournament to the island and its people.

With a limited field of 24 teams, the event remains intentionally personal and high-quality, ensuring access, interaction, and a premium experience for everyone involved.

Whether you are here to compete, to play, or to be part of the week—welcome to the MCB Caribbean Legends Pro-Am at Blue Bay.

Wishing you an enjoyable and successful week,

Steffen Kefer
