## **For Immediate Release**

### **International golf legends coming to Curaçao for MCB Caribbean Legends Pro-Am 2026**

**28 April – 3 May 2026 | Blue Bay Curaçao**

Willemstad, Curaçao – Curaçao will host its first ever Legends Tour affiliated golf event as the MCB Caribbean Legends Pro-Am 2026 takes place from 1st to the 3rd of May 2026 at the Blue Bay Golf Course.

The Legends Tour is the international professional circuit for many of the world's most accomplished golfers aged 50 and over, featuring former Ryder Cup players, major championship contenders and tournament winners from the European Tour. Bringing the tour to Curaçao places the island on the international golf calendar and will attract players and visitors from across Europe and beyond.

The tournament will be hosted by Ryder Cup winner Jamie Donaldson, who famously secured the winning point for Europe in the 2014 Ryder Cup. During his career he reached a highest world ranking of 23rd in the Official World Golf Ranking and competed for many years at the highest level of professional golf.

The event forms part of the 25-year celebration of the Blue Bay Golf Course and marks the start of a longer-term partnership, with an even larger edition in the planning for 2027.

Sepp Koster, CEO of Blue Bay Curaçao, said the event represents an important moment for the island: "Blue Bay offers a championship setting that combines competitive course architecture with the distinctive conditions of Caribbean coastal golf. Beyond the tournament itself, we see this event as a platform to strengthen youth- and community engagement, corporate partnerships and international exposure for Curaçao."

For title sponsor Maduro and Curiel's Bank, the tournament also carries a strong community focus. During tournament week the MCB Charity Beat the Pro will benefit the Churandy Martina Foundation, generating donations through a closest-to-the-pin challenge against Legends Tour professionals.

In addition, MCB Kids Day will welcome 50 local children to Blue Bay to experience golf and learn directly from the professionals competing in the tournament.

Team registrations are now open for companies, partners and golf enthusiasts who want to take part in the event and experience playing alongside Legends Tour professionals during tournament week.
